Sir:

Request is hereby made for a Certificate of Correction of Issued Patent to correct the priority claim in the above patent. The text of the correction is submitted on the attached Certificate of Correction form. The correction does not constitute new matter or require reexamination.

Accordingly, please amend the first line (after the title) of the specification to read as follows:

Cross-Reference to Related Applications

This application is a continuation of international application no. PCT/SE02/00551, filed on March 20, 2002, and designating the United States of America; which application claims the benefit of Swedish patent application no. 0101047-9, filed on March 22, 2001.

As evidence to the above, please be advised that the Patent Office accepted the above priority claim in the Office Action dated June 2, 2007. The priority of the above Swedish patent application is of record in the PCT application.

Applicant respectfully requests entry of these amendments and issuance of a Certificate of Correction.

It is believed that no fee is required for this correction.

If there are any issues that need to be resolved, a telephone call to the undersigned attorney is respectfully solicited.

Respectfully submitted,

Date:

6/11/2009
